

PUBLIC SERVICE ANNOUNCEMENT

College Goal Wisconsin Offers Free Help with applying for College Financial Aid

Wisconsin students can get free help completing the Free Application for Federal Student Aid (FAFSA) at College Goal Wisconsin events held throughout the state. Financial aid professionals and other educators volunteer at the event to help students and their families complete the FAFSA.

Anyone who is planning to pursue a postsecondary education in the 2021-22 academic year should complete the FAFSA. That includes high school seniors, continuing college students, transfer students, and adult students considering pursuing higher education. The FAFSA is the form that must be submitted in order to be considered for federal and state financial aid including grants and loans.

Students pursuing a postsecondary education in 2021-22 can access the FAFSA beginning October 1, 2020. College Goal Wisconsin will host virtual FAFSA completion events every Wednesday in October and November 4 and 11. Dates, starting time, a list of what is needed, and other information can be found by visiting the College Goal Wisconsin website at collegegoalwi.org.

In addition to getting professional help competing the FAFSA, attendees will have the opportunity to enter a scholarship drawing.
